

No one likes to get stuck in traffic.

That's why the CT DOT offers **FREE** commuter services to help people find ways to get to work and relieve traffic congestion around the state.

We offer:

- **Promotional opportunities** for companies willing to start green commute programs
- **Outreach staff** to come talk at your worksite, agency, school, group or business about travel options & free reward programs
- **Start-up help** for businesses interested in green programs, parking management and Leed initiatives
- **Customer service**, available 24 / 7 to help your employees arrive to work or home safely.
- **Up to the minute information** on all available routes / schedules for vans, buses & train service

It's easier than you think.

We've got easy
programs that **really**
make a difference
to your workforce

Let us fill you in on

- Commuting Rewards
- Preferred Parking
